## Child Protection

### Guidelines for dealing with an Incident / Accident

- Stay calm, but act swiftly and observe the situation. Is there danger of further injuries?
- Listen to what the injured person is saying.
- Alert the first aider who should take appropriate action for minor injuries.
- In the event of an injury requiring specialist treatment, call the emergency services.  
**Note: There is a Standing instruction for a Mobile phone to be present with either the Manager, Coach or First Aider for each age group including Seniors, during a home or away match and also for training sessions.**
- Deal with the rest of the group and ensure that they are adequately supervised.
- Do not move someone with major injuries. Wait for the emergency medics.
- Contact the injured person's parent/guardian.
- Where the injured person requires hospital treatment, then ensure a suitable responsible adult accompanies them.
- Complete an incident/accident report form.
